

GRANT WATER AND SANITATION DISTRICT

**REQUEST FOR RESIDENTIAL
UNDERDRAIN VARIANCE**

Builder/Owner, _____, whose address is _____, and whose telephone number is _____, hereby submits to Grant Water & Sanitation District a request for variance from the District's underdrain requirements in Section 7 of the District's Rules and Regulations for the residential structure located at _____, the legal description for which is _____.

Builder/Owner is requesting a variance for the following reason(s): _____.

Builder/Owner proposes the following alternative in lieu of a gravity underdrain service line connection: _____.

As a requirement for considering this variance request, Builder/Owner hereby submits payment of \$ **250.00**, the District's fee for granting a Residential Underdrain Variance. If the variance request is approved by the District's Engineer and Manager, a Gravity Surface Discharge Underdrain Variance Agreement will then be executed and recorded for the address indicated above. Tap permits will not be issued until the variance agreement has been executed by the Owner.

Submitted this _____ day of _____, _____.
